Budgeting exercise

In one of the good practices, budget exercise was initiated to monitor the revenue and expenses of the hospital. Budget plan is reviewed periodically so that corrective and preventive actions can be taken without any delay. Budgeting is done for department wise revenues, expenses etc well in advance keeping in view prevailing situation of the organization.

2. ADMINISTRATION AND LEGAL AFFAIRS:

A. Legal matters and complaints from patients

i. Matter of PC-PNDT

The Appropriate Authority, PC-PNDT Act filed a case against the hospital for violation of provisions of the PC-PNDT Act in the court of CJM Kamrup, Metro on January 06, 2016. The case had been disposed off in the District Court by the Additional Session Judge in favour of the hospital. Again the Appropriate Authority had filed an appeal before the District & Sessions Court, and after the long period on June 12, 2019 the court of CJM Kamrup, Metro gave the verdict in favour of the hospital and with this the matter was closed in CJM court and the keys of the USG room was handed over to the hospital authority with a bond of Rs. 10 crores from Dr. Dipak Sarma. The management of Shree Marwari Databya Aushadhalaya thanks to Dr. Dipak Sarma for consent in the matter. While Govt. has approached high court in the matter, Notice Received by GS from the Hon'ble Gauhati High Court on 15/10/2019 regarding appeal filed by State PC-PNDT Cell against verdict given by the Hon'ble CJM Court. Since the machines are lying ideal, so repeated requests were made to State PC-PNDT cell to allow us to use the machine but no reply received from them. Finally hospital has approached Hon'ble High Court to allow us to use the machine & the matter is subjudice.

ii. Cases filed in the District Consumer Disputes Redressal Forum

F. Patient Feedback & Complaints Redressal Mechanism

The Patient feedback form is collected from every in-patient at the time of discharge, which is being analyzed and accordingly preventive/corrective steps are taken in right earnest. Moreover, after discharge of IPD patient, telephonic feedback is also taken on regular basis by the operational team regarding the services and facilities rendered to them. Further, in case of serious complaints, the management takes recourse to constitution of Medical board/Enquiry board/ Enquiry committee for enquiring into the matter. Based upon the enquiry report, necessary follow up action is taken. Prompt actions are taken on all patient related feedback.

G. Security Services and Disaster Management

The Security and Disaster Management department of the hospital takes necessary steps for complying with the statutory provisions laid down by Assam State Disaster Management Authority and Assam Fire Services and other relevant laws from time to time. At present, **Industrial Security Bureau (ISB)** is engaged at our hospital. Regular training programmes for all the hospital staff and security personnel are carried out, including mock drill and fire training from time to time. Fire related trainings are also conducted with the help of Fire Dept, Govt. of Assam.

H. Risk Mitigation

Like all hospitals, our hospital too is exposed to a wide spectrum of risks given the complexities and highly regulatory framework, in which it operates. Therefore, risk management which encompasses internal control and compliances, is continuously strengthened and aligned to benchmark of best practices.

5. MARKETING AND TPA:

A. Promotional, marketing & branding activities during 2020-2021

Hospital has undertaken following marketing & promotional activities for increasing its reach to attract patients to the hospital. The activities are important for brand building of the hospital.

10. COVID MANAGEMENT:

Measures taken to tackle COVID-19,

“The Pandemic”

The first case of COVID-19 pandemic in the Indian state of Assam was reported on 31 March 2020. As of 4th July 2021, the Government of Assam has confirmed a total of 5,08,484 positive cases of COVID 19 including 4,77,510 recoveries and 4,539 deaths in the State. The State’s as well as northeast’s largest city, Guwahati, has been worst affected by this menace.

In the fight against corona virus, many frontline warriors of COVID-19 have tested positive in Assam. Though many of them recovered, a few of them succumbed.

Assam serves as the gateway to the other north-eastern states, while having a considerable population of 3.5 crores of its own. Owing to this factor, Assam could have easily succumbed to the pandemic, had it not been proactive in its preparedness and response towards the situation.

Government has taken proactive steps in managing COVID-19 patients. Private hospitals have been working hand in hand with the government to create special facilities and dedicated teams for management of COVID-19 positive patients.

Infrastructure:- It was a challenge for the hospital management to tackle the rise in the number of the corona cases. Understanding the responsibility towards the society & humanity, the management took a dynamic step and dedicated entirely one of the block i.e Mother & Child block for the management of COVID-19 patients. The building is a separate entity which includes OT facility, separate lifts (2 nos), wards, cabins etc. In order to facilitate management of critical patients, ICU facility was also arranged in the same building on priority basis.

Dedicated Staff:-The next big challenge was to motivate the doctors, nursing team, house keeping team, maintenance team, security team etc to facilitate treatment of the covid patients who would be admitted. Few doctors, staff took the lead and gradually they were followed by other staff.

On July 7, 2020 full-fledged covid ward started. Serving patients wearing PPE kits for 6-8hours per shift is a big challenge, but MH team has made it possible. Food service has also been arranged in-house for the covid Patients. We have been providing service as per the guidelines issued by the government from time to time.

Covid Warriors :- Rendering service to the patients in the first wave as well as second wave till date 98 staff including doctors, nurses, administrators, other staffs have been tested positive. Some of the staff have recovered and some are under treatment. This has not broken their spirit rather they have bounced back and have again dedicated themselves for the service of the patients after recovery.

Steps undertaken to facilitate Covid 19 treatment:-

- **Dedicated Laboratory:-** Apart from Normal Laboratory services, our NABL laboratory has facilitated Rapid Antigen test, RT-PCR with due approval of ICMR. Laboratory has also been doing IgG Antibody test. This enables the patients to have COVID 19 confirmation testing facility under one roof.
- **Radiology:** CT Scan & X-Ray are the major diagnostic tools for Covid patients to understand the severity of Lungs conditions. Both the services are facilitated (24x7) to OPD & IPD Covid patients.
- **Oxygen Supply:-** In this crisis hour we have also facilitated free supply of oxygen cylinders for the home Isolation patients at any time (24x7).
- **Blood Bank Facility:-** In this pandemic, when people hardly dares to come out of their homes, from March 20, 2020 till July 4,2021, our blood bank has provided services to 7,910 nos. of patients, among them 2,583 nos. of patients have availed the facility without blood replacements, 5,327 nos. of donors have donated their blood for the needy patients. For hassle free supply of blood and its components, hospital has tied up/liaison with many voluntary organizations / NGOs / Clubs etc and organized blood donations camps in small groups so that needy patients are not deprived of blood.
- **Online Consultation:-**In this pandemic situation Marwari Hospitals has started online system of consultation of patients through an app “MEDNET” which is available in Play store. This App proves to be a great help for the patients who are unable to visit hospital for consultation or have difficulty in travelling. Our doctors directly consult them through this app through the medium of video calling. Reports and Investigation can also be uploaded in this app by doctors as well as the patients.
- **Ambulance Service:-**We have our dedicated ambulance service for the transportation of the Covid19 infected patients. We are also providing Critical Care Ambulance service for the critically ill patients.
- **Home Packages:-**With the modification in the guidelines and permission granted for home quarantine for COVID -19 infected patients, our hospital has started Home Package services including online doctor consultations. Moreover dedicated helpline has also been provided for any emergency contact. During emergency, ambulance services are also made available to them. Patient desiring to undergo CT or other Lab investigations are also being facilitated.
- **Briefing Session:-**Briefing session has been initiated for the attendants of the admitted covid patients. The attendants are briefed regarding the patient’s health status by the concerned consultants/doctors in the OPD 6 ground floor Maternity Block (MCB) from 4PM to 5PM on day to day basis.
- **Patient Feedback:-** During discharge, patients feedback is taken. As a good gesture a plant is also handed over to the patient.
- **Reminder for Post Covid Consultation:-** After the discharge of the patients the patients/attendants are reminded telephonically to come for check up as per the schedule for speedy recovery of their health.
- ❖ **Maternity & Paediatric Services:-** Maternity & Paediatric Services have been grossly hampered during this period, there is fear among population regarding Covid-19. Both the groups are susceptible to Covid. Our

hospital has also got affected. Our Mother & Child block team have given services to Covid-19 positive patients also. Few normal deliveries & 4 Caesarean cases has been performed, bringing smile to the expecting couples.

- ❖ **Our Milestone:-** Our youngest COVID infected patient till now is **11 months boy** who had tested positive and after treatment was successfully discharged from the hospital. An elderly lady aged **84** years has also been discharged after successful treatment.

Activities undertaken for well being of the Covid Warriors:-

- Sanitization of hospital premises is being done on regular basis.
- Thermal screening at the entry point of Patient/Attendant/Visitors/Staff and visitors restriction has been done.
- Hand washing facilities has been provided at the entrance of the hospital. Sanitiser dispensers have also been installed in the common areas.
- Public Announcement, display, regular orientation on COVID-19 prevention such as use of mask, frequent hand washing, social distancing is being done.
- Regular trainings on Use of PPE, Handwash, Sanitisers are being provided.
- Installation of Arogya Setu App has been encouraged to the staff/patients/attendants in their mobile phones to self-monitor their health, by monitoring their own temperature regularly at home and encouraged to “stay at home if unwell”.
- Rapid Antigen Test are also being done for our staff on regular basis as precautionary measure.
- COVID-19 is associated with a range of concerns, such as fear of falling ill and dying, of being socially excluded, placed in quarantine, or losing a livelihood. Symptoms of anxiety and depression are common reactions for people in the context of COVID-19. We ensure that our staff are counselled, Psychological and mental health support are provided to the staff, who are under quarantine or have been diagnosed with COVID-19.
- Management has been always concerned about the patients of our covid ward as well as the staff providing services to the patients and hence Virtual Meetings are conducted. Initially it was conducted on daily basis and later on alternate days. The forum consists of Sr. Consultants, Consultants, Sr. Administrative staff, MS, HS headed by the President & General Secretary. It helps in facilitating the treatment & resolving the issues at the earliest.

As there is speculation going on for a **third wave of Covid-19**, whole world is preparing for the same. Speculation are mostly in favour of affecting the paediatric population. Hence, initiative has been taken to train our doctors/nurses to cope up with the paediatric patients.

Driven by the tenacity and dedication of our doctors and other staff we are able to confidently fight the pandemic and hope in future too.

COVID-19 Vaccination

Marwari Hospital is one of the 1st private hospital in Guwahati to be the part of largest vaccination drive in India.

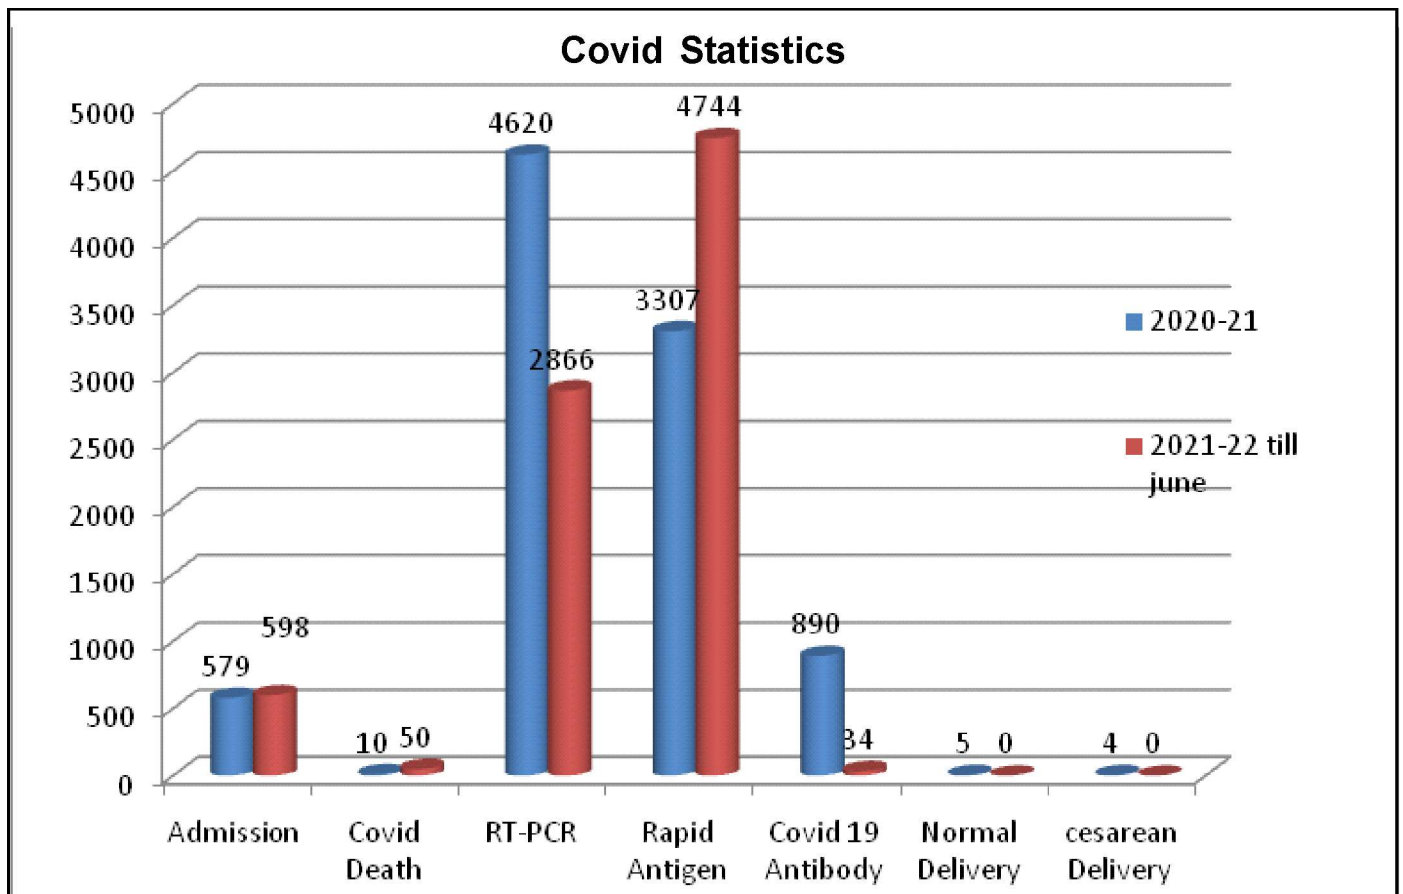

The first phase of Covid 19 Vaccination drive was started from January 16, 2021 for our Frontline Health Worker, where the total beneficiaries for 1st dose were 396 nos. and for 2nd dose were 415 nos. (Total-784).

11. ACADEMIC AND RESEARCH WING:

A. Ethics Committee

An Ethics Committee is a committee comprising of medical, scientific, non-medical and non scientific members, whose responsibility is to ensure the protection of the rights, safety and well-being of human subjects involved in a clinical trial and it shall be responsible for reviewing and approving the protocol, the suitability of the investigators, facilities, methods and adequacy of information to be used for obtaining and documenting informed consent of the study subjects and adequacy of confidentiality safeguards. In case of any serious adverse event occurring to the clinical trial subjects during the clinical trial, the Ethics Committee shall analyze and forward its opinion as per procedure specified under APPENDIX XII of Schedule Y of Drugs and Cosmetic Act 1940 and Rule 1945

Amendments to Drugs and Cosmetics Rules were published vide G.S.R.72 (E) dated 08.02.2013 specifying the requirements and guidelines for registration of Ethics Committee and re-registration under Rule 122DD to the Drugs and Cosmetics Rules 1945 After this rule an Ethics Committee has to mandatorily obtain Registration Certificate From DCGI prior to accord approval to any clinical trial.

For the purpose of the Rule 122DD, The Ethics Committee shall allow inspectors or officials authorized by the Central Drugs Standard Control Organization (CDSCO) to enter its premises to inspect any record, data or any document related to clinical trial and provide adequate replies to any query raised by such inspectors or officials, as the case may be in relation to the conduct of clinical trial.

B. ECRC-HEC

The idea for formation of Ethics Committee Research Cell-Hospital Ethics Committee (ECRC-HEC) had been crystallised in the Resolution passed by Management of SMDA in its administrative Committee meeting held on 3rd August 2012.

First meeting to form the committee was convened on 25th August 2012. Accordingly the members were invited considering their Qualification and Experience as per the Guidelines to form Ethics Committee.

According to the amendment rule of 8th February 2013, which says all Institutional/ Independent Ethics Committee Should be registered with Central Drug Standard Control Organisation (CDSCO), DCGI, New Delhi

Thus, we at Marwari Hospitals have applied for registration of our ECRC-HEC on 27th March 2013 and received certificate of registration from DCGI on November 29th 2013 with a validity period of 3 Years (First in North East India). The Ethics Committee was re-registered with a validity period up to 28th November 2024.

To maintain the high standard of quality we have also applied for NABH of ECRC-HEC and Clinical Research Unit and we have received the certificate of accreditation from National Accreditation Board of Hospital and Healthcare Providers on May 18th 2020, Certificate No.EC-CT-2020-0143 whereby we happen to be First Ethics Committee to receive such recognition in North East India.

Till now the Ethics Committee has received more then 50 Clinical trials in different specialities including Academic Trials. It is matter of great delight that our Ethics committee licence is used by two different hospitals to run their DNB program.

16. BLOOD BANK WITH COMPONENT, ID NAT FACILITY:

Grant of licence to operate Blood Bank is received in the name of “Marwari Hospitals Blood Centre”. Earlier it was in the name of Marwari Hospitals and Research Centre Blood Bank. The validity of present licence is for the period of 5 years i.e. from 01/01/2021 to 31/12/2025.

1. **Blood Collection:** It is said that amongst all donations, the donation of blood is supreme “*Rakt Daan Jeevan Daan*”. During the year 2020-2021, total 43nos. blood donation camps were organized by various social organizations (out of which 42nos. in-house camps and 1 no. outdoor camp). Total collection of blood from these camps were 733 nos. of units; from voluntary donation it was 1250 nos. of units and replacement 3559 nos. of units, there by leading to total collection of 4292 units of blood during the year. The total blood issued from blood bank is 6338 and 32.28 % of that issued without replacement. Moreover, total 3402 units of FFP issued to Intas Pharmaceuticals Limited during 2020-2021. It is noteworthy to mention that blood bank sub-committee under chairmanship of Shri D.P Bajaj is working exceedingly well. There is increase of 13.37% as compare to last year’s issue. We appreciate the generosity of Blood donors, during this pandemic also many voluntary donors came forward to help the needy one by donating blood at this difficult time.

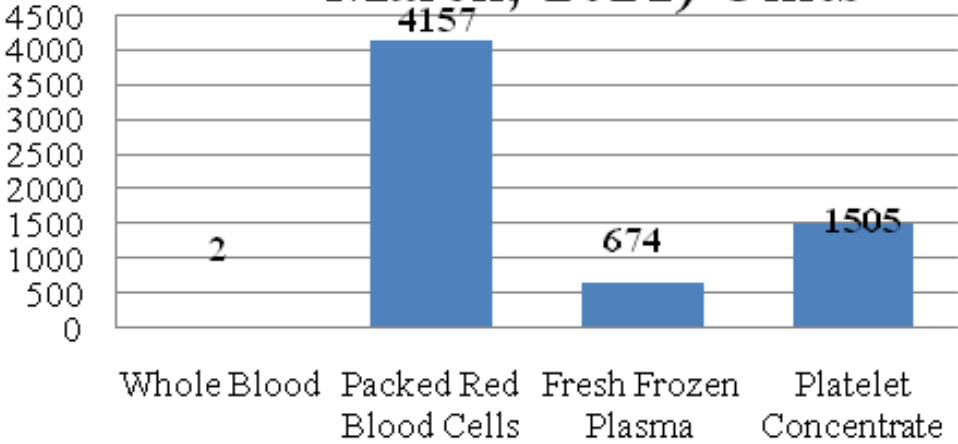

Hospital has special provision for Thalassamia patients. Blood is issued to them without any replacement by charging only 50% processing fees is realized from the patients. Moreover, accommodation, doctor’s consultation are free to all Thalassamia patients (upto 10 hours). In this year, there is sharp increase in beneficiary numbers by 45% as compared to previous year.

2. **ID NAT Lab Facility:**

With the installation of ID NAT Laboratory for screening blood samples for DNA of HIV, Hepatitis B and Hepatitis C viruses in donor’s blood, the window period gets minimized for the HIV tests from the earlier 20 days to 4-5 days, Hepatitis B from 2 months to 2 weeks and Hepatitis C from 3 months to 2-3 days. All donated blood can be rated at nearest zero risk.

The following statistics show the issue of blood units from our blood bank during the year.

Blood issued in Unit from (April, 2020 to March, 2021) Units

(Component/Whole Blood)

3. Inauguration of Mobile Blood Donation Van

The Mobile Blood Donation Van which is donated by the M/s CDE Asia Limited, Kolkata under its CSR initiative was received by the Hospital on 30/01/2021. The Van have 2 donor beds, 1 donor rest bed, 1 AC (Voltas), 1 refrigerator, 2 CCTV cameras and 1 Generator (Honda) etc attached with it. The Van was launched on 20/03/2021 in a public function organized at our Auditorium. Mr. Sanjay Singh, Vice President, CDE Asia Limited, Kolkata was present in that event as Guest of Honour along with other distinguished guests.

The Van is being used for organizing outside blood donation camps to collect blood to augment blood collection which will lead to cater the need of many more patients.

17. IT & EPABX SYSTEM:

Information Technology plays a very important role in streamlining system and processes create transparency, generating MIS. Accordingly, in the year of 2016, a new hospital software (MEDNET) was introduced. New software has facilities for Electronic Medical Record (EMR), SMS notification to patients for OPD, investigations, HR related functions like as payroll, leave etc., in store, PO raise, GRN issue, indent, gate pass etc., in Laboratory, investigations report in mobile by installing MEDNET app. etc. Existing EPABX has upgraded with call hunting facility where a call is connected to multiple telephones, one after another, sequentially until it is answered by an operator or transferred to voicemail.

18. HIGHLIGHTS OF HOSPITAL INFRASTRUCTURES DEVELOPMENT WORK DURING 2015-2021:

19. CHALLENGES AHEAD:

Due to Covid-19 pandemic entire world is facing the crisis, so as Marwari Hospitals is also badly affected by the pandemic. Most challenging part to the management has been to maintain the occupancy at desired level. With the rising competition from existing & upcoming hospitals, retention of talents, availability of specialist consultants, retaining clinical and non clinical personnel and getting efficient services from them has been matter of concern. Some projects are in pipeline and some are in advance stage of drawing board and on top of that is to ensure

affordable quality health services to the patients and win the heart of the people at large. In this tough time, timely completion is another challenge. Not to exaggerate, much have been done on so many fronts, but we have still miles to go. We expect our society members/ Stake holders to come forward and give their valuable suggestions/ feedback/ideas for overall development of the hospital, not withstanding unprecedented challenges.

20. GRATITUDE:

We would like to extend our whole hearted thanks& gratitude to Central and State Government authorities, NABH, NABL, Veterans of society, all our Esteemed donors and well wishers, Office bearers, working committee members, past presidents, conveners and members of various committees, esteemed members, Corona Warriors, doctors, para-medical and other clinical & non- clinical personnel , executives, staff members, vendors & suppliers and all those who have directly or indirectly contributed to the cause of Marwari Hospitals paving the way for the growth and development of this prestigious institution rightly called an Epitome of service .

Special thanks to voluntary Blood and Plasma donors, Lions clubs, Rotary, JCI, Marwari Sammelan and its affiliates, Shree Gauhati Gaushala, various NGO's and our statutory auditors M/s RNV and Co.(CA Sri Rakesh Dudharia), GST Consultants M/s V.K. Sureka & Co., M/s Banka Associates & M/s Ramesh Goenka & Co. etc. who all have immensely contributed and rendered their selfless service to Shree Marwari Databya Aushadhalaya.
